

Join The 2018 Beehive Drive Event

As a 501(c)3 organization, the BHD was created to provide charitable contributions to Utah's children, communities, and heroes through donations, scholarships, grants, and our History & Education Program.

Join our 13th Annual BHD Event as exotic car enthusiasts come together from around the U.S. for a week of fun surrounded by Utah's spectacular scenery.

July 30, 2018

The 2018 Official Route begins Monday at the Utah Motorsports Campus (UMC) where participants will have access to a world class racetrack and licensed instructors to see exactly what their cars can do.

July 31 - August 2, 2018

Each day, we visit a special Utah community for a lunchtime car show and presentation of scholarships and grants. We provide free lunch, t-shirts, hats and posters while sharing our unique group of performance cars. Each community has prepared for months for our arrival. The excitement of the children alone will put a permanent smile on your face!

August 2, 2018

We top off our drive Thursday with our 2018 "Sweet Cars & Big Hearts" Gala & Auction in Deer Valley, Utah. Participants will be joined by local personalities and entertainment to celebrate a wonderful week and end in the spirit of giving.

2018 Drive Safety & Requirements

All vehicles are required to pass a BHD technical inspection on the morning of July 30, 2018 before participating in any BHD activities. As a minimum, all vehicles must be mechanically sound and equipped with safety belts and suitable high-speed tires. **The BHD inspection is advisory only. Each participant is solely responsible for the mechanical soundness of his/her vehicle.**

Each participant, including co-driver/passenger(s) is required to sign a waiver of liability as a condition of entry to the BHD.

Special BHD legal "parade" license plates will be issued to each car. By March 31, 2018, participants are required to provide vehicle registration, VIN#, and proof of liability insurance--Utah law requires minimum levels of \$25,000 per person, \$65,000 per incident, and \$15,000 property damage. These documents may be uploaded using the online registration form at www.beehivedrive.org or mailed to Angelina Kendzior at the address to the right.

If it is necessary to substitute for an approved car, the BHD Board must approve the proposed substitution. Substitutions of non-eligible cars will not be permitted. This policy is strictly enforced to ensure the integrity of the event.

A special squadron of Utah Highway Patrol Motors will accompany the BHD to facilitate traffic, provide communication, and arrange break-down assistance. All BHD drivers must observe all traffic laws. Infraction of traffic laws is grounds for expulsion from the BHD.

All drivers and passengers are required to wear helmets at the racetrack. (If you do not have one, a loaner will be available)
